Thanks for taking the time out of your busy schedule to look over this information. I have enclosed a sample newsletter that we have done and a publication contract agreement for you to review. For today's unions, newsletters are a great way to keep members informed of any important changes, elections, membership dues, OSHA regulation, by-laws, etc. Your newsletter can be designed to suit your membership needs. It's also an extremely effective method to keep members updated on National and International news.

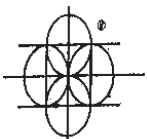

Just a reminder that all of the information and advertisers must be pre-approved by you before printing.

If you have any questions or comments, please feel free to contact me at the above number. I am available Monday-Friday 9:00 a.m. until 4:00 p.m. CST.

I look forward to speaking with you soon.

Sincerely,

Layla Herring
Director of Public Relations
